| Passover in accordance authorization includes the be delivered to me during own in full or in part or table All the aforesaid is to be selegally dispose of such Chaplace where the Chometz from the time of the sale, has permission to do the a                                  | with prevalent Jewish sale of any Chometz in the time of prohibition hrough shares of stock sold to a non-Jew of the nometz. The buyer has is located may be ren and the Rabbi is authorbove beginning the 12° with the sale of the sale o | behalf and to sell my Chometz before the coming a custom and in any manner he sees fit. This is my possession including transit goods that would not Chometz this year, and Chometz which I may a in corporations which own or deal with Chometz e Rabbi's choosing during the time in which I may a free access to the Chometz acquired by him. The steed to the buyer for a period of up to twelve days orized to act as an agent for such rental. The Rabb th of Nissan. The exact assessment of quantity and and the buyer's deposit is to be paid to Rabb |
| This authorization is made binding by my signature below, which when given with the Bill of Sale shall be considered as if I had actually signed the Bill of Sale. I have also bound myself this day to all the above by the act of kinyan of the taking hold of a garment or pen. |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
